

The background of the cover is a composite image. The top half shows a close-up of a large white wind turbine with its three blades extending across the frame, set against a sunset sky. Below this, a wide river flows through a deep canyon, with a large concrete dam in the foreground. Water is cascading over the dam's spillways, creating a large plume of white mist. The bottom half of the image is a solid magenta-to-purple gradient.

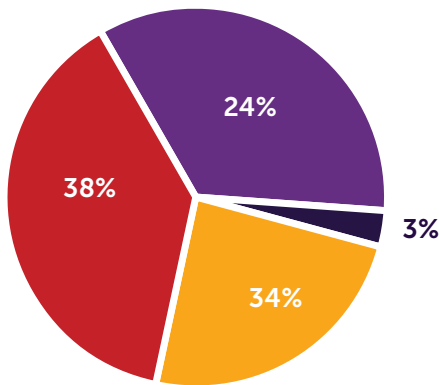

ENVIRONMENTAL, SOCIAL AND GOVERNANCE

2020
Annual
Sustainability
Report

Inkia Bond (INKENE)

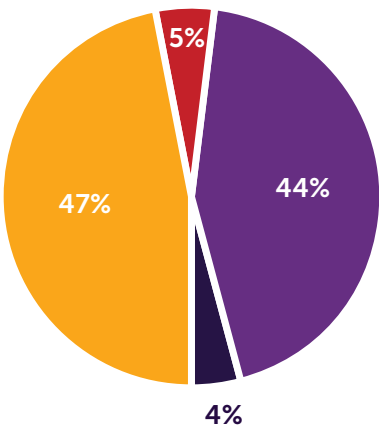

Nautilus Inkia Holdings SCS (Kallpa, Las Flores, Cerro del Aguila, Samay/Puerto Bravo)
 Nautilus Distribution Holdings LLC (Recsa, Guatemel, Energuate, Cobee, Agua Clara)
 Nautilus Isthmus Holdings LLC (Nepaja, Cenergica, Cardones, Colmito, Amayo, Tipitapa, Corinto, Kanan)

Generation Installed Capacity*

● Hydroelectric ● Liquid Fuels
● Wind ● Natural Gas

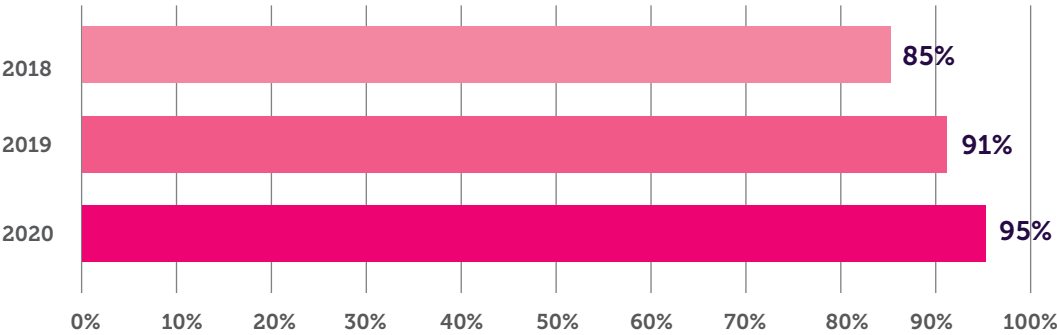

Generation Actual 2020*

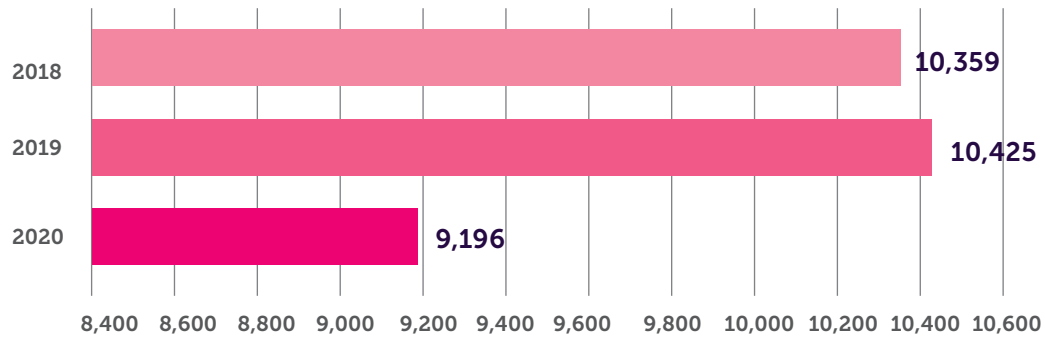

● Hydroelectric ● Liquid Fuels
● Wind ● Natural Gas

*Natural Gas includes both Combined Cycle CC and Open Cycle OC operations.

Low Carbon Generation

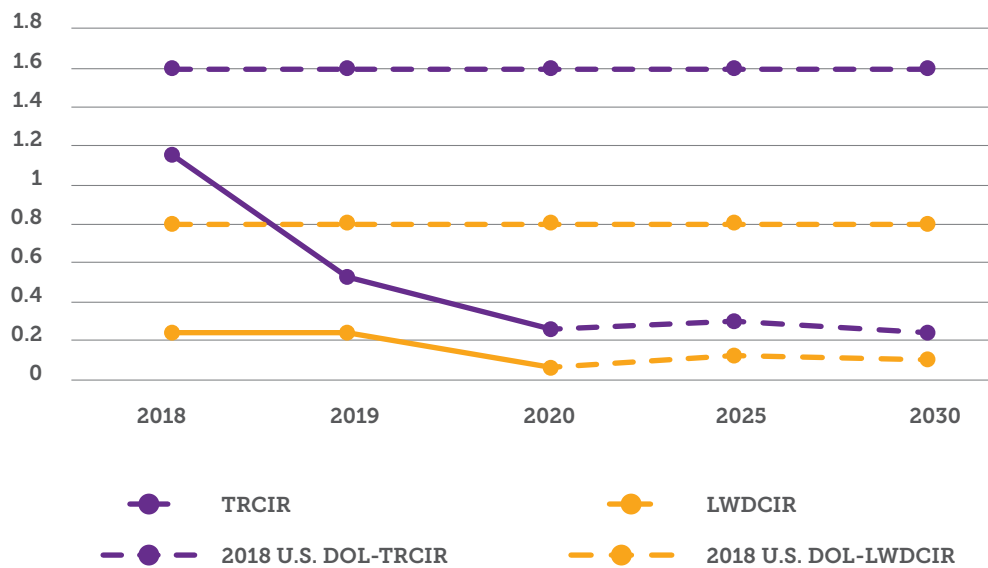

Generated Electricity (GWh)

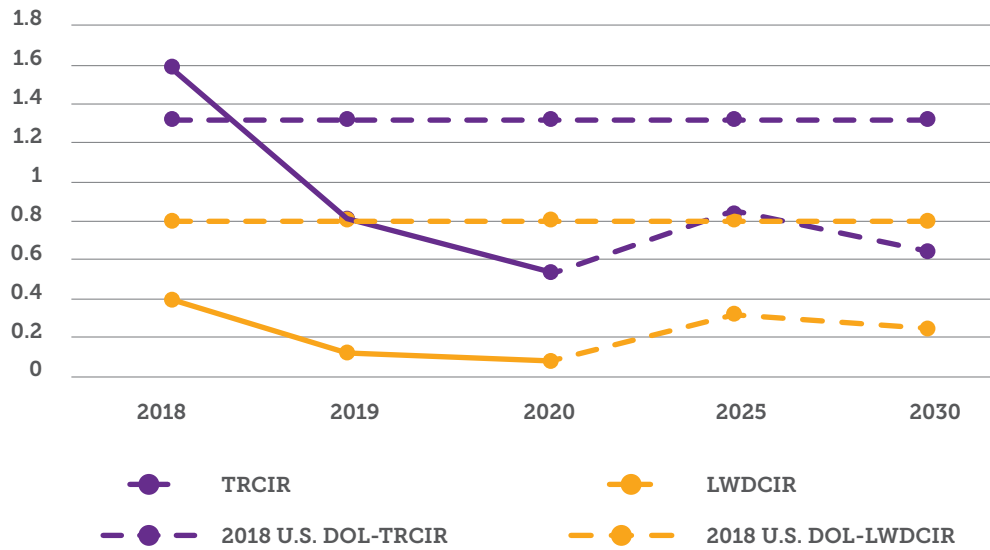

Reduction in generation in 2020 due to lower demand of electricity as result of COVID-19 pandemic.

1. Safety Performance

Generation and Distribution Safety Performance Employee and Contractors

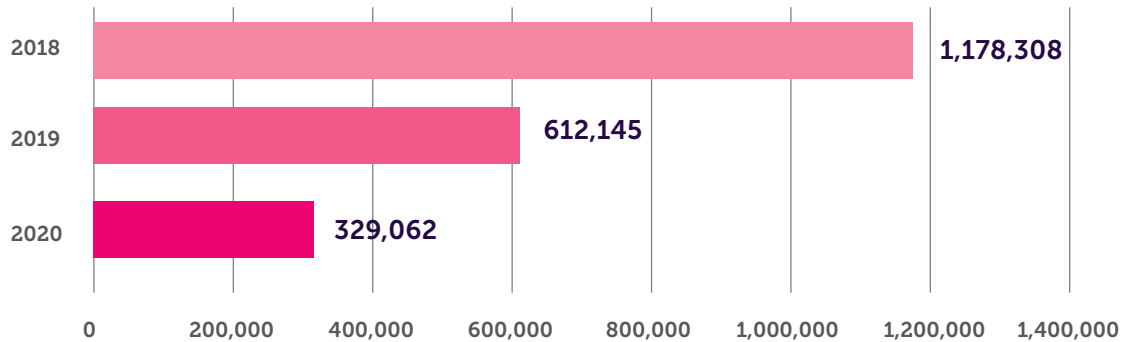

Distribution Safety Performance Employee and Contractors

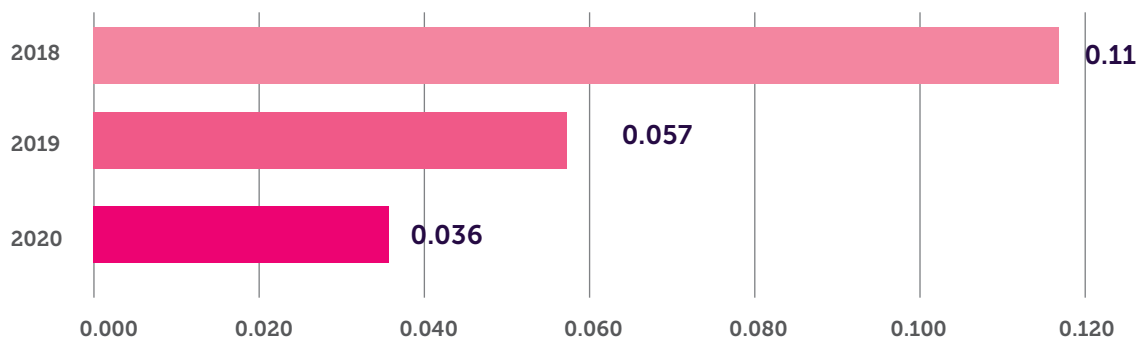

Actual TRCIR and LWDCIR achieved in 2020 better than targets set for 2025.

2. Environmental Stewardship

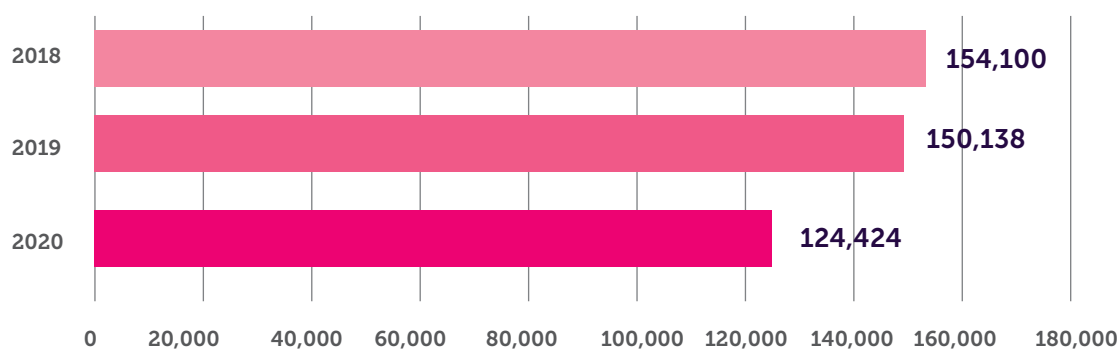

Water Consumption (m³)

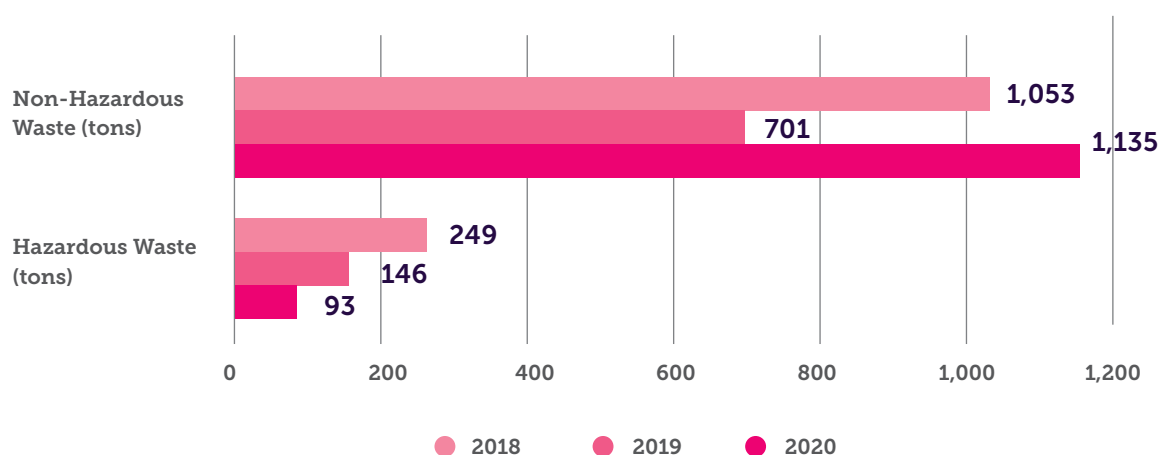

Water Intensity (m³/MWh)

Internal Energy Consumption (MWh)

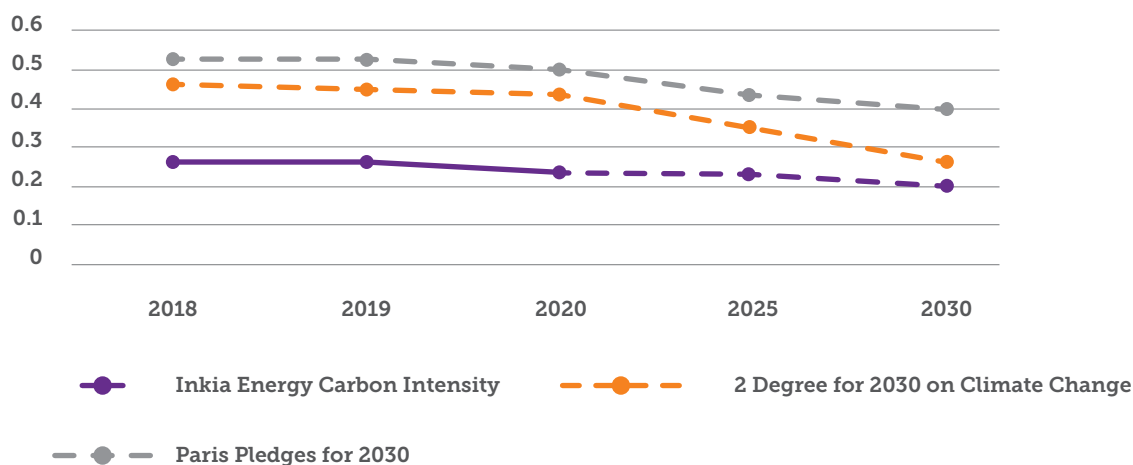

Industrial Solid Waste (Tons)

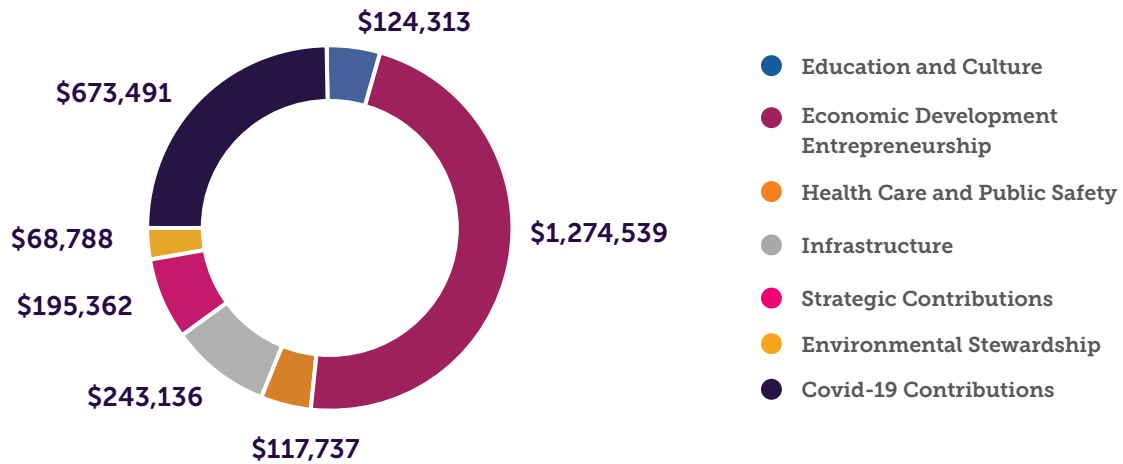

Amount of Non-hazardous wastes increased compared with previous years due to safe disposal of a larger amount of aluminum cables, transformers scrap, scrap metal, insulators, discarded electricity meters, wood and concrete poles at Energuate distribution operations.

Carbon Intensity Benchmark (Tons CO₂/MWh)

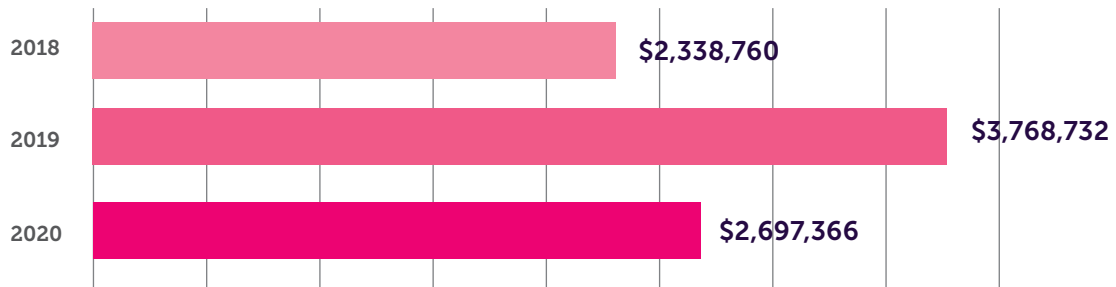

3. Social Responsibility and Community Engagement

Social Investment by Category
(US\$)

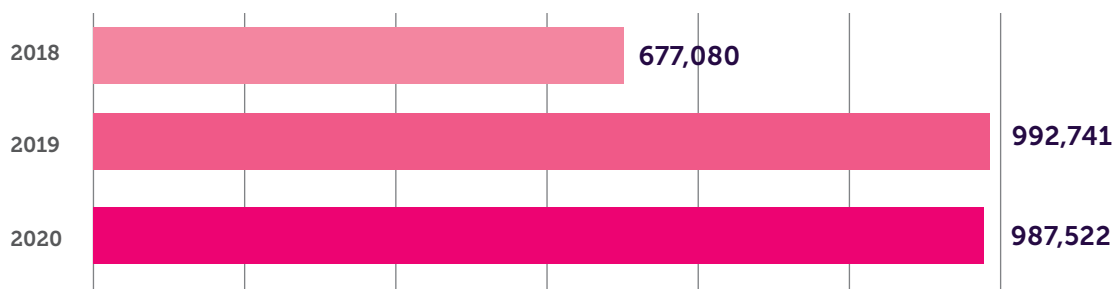

Social Investment
(US \$)

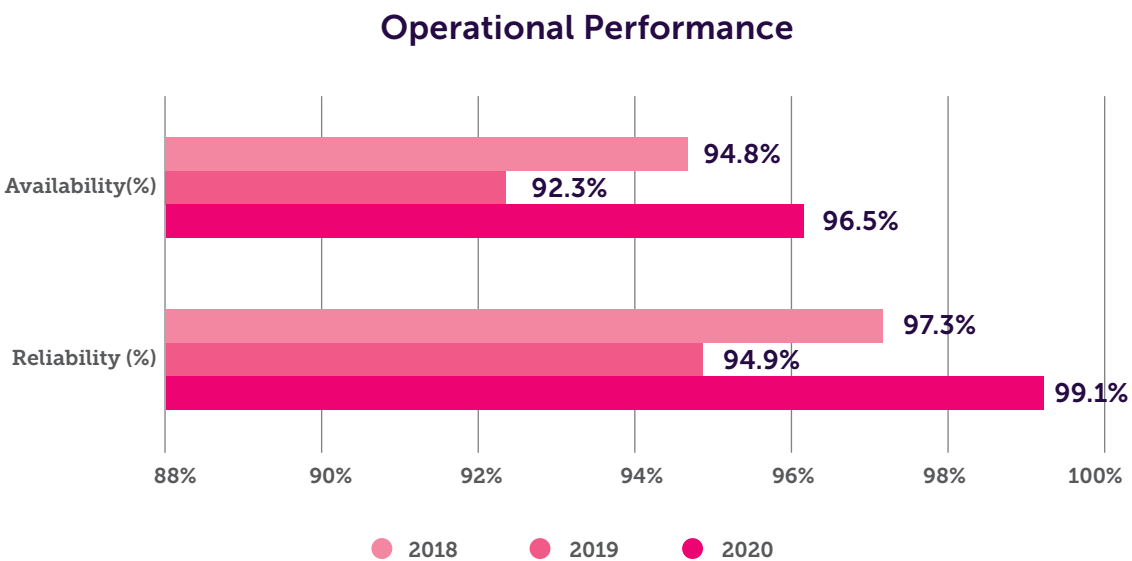

Social Investments lower than target due to restrictions imposed by governments in response to COVID-19 sanitary crisis. A total of US\$ 673K of existing and approved additional funds were invested to support COVID-19 vulnerable communities.

Number of Individuals Benefited
(#)

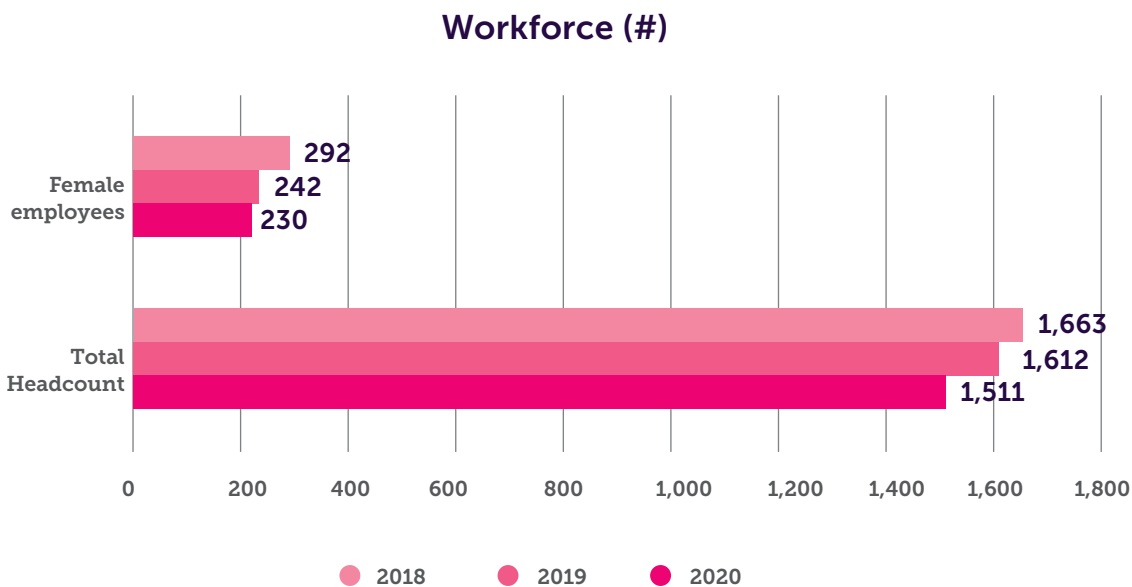

4. Operational Excellence

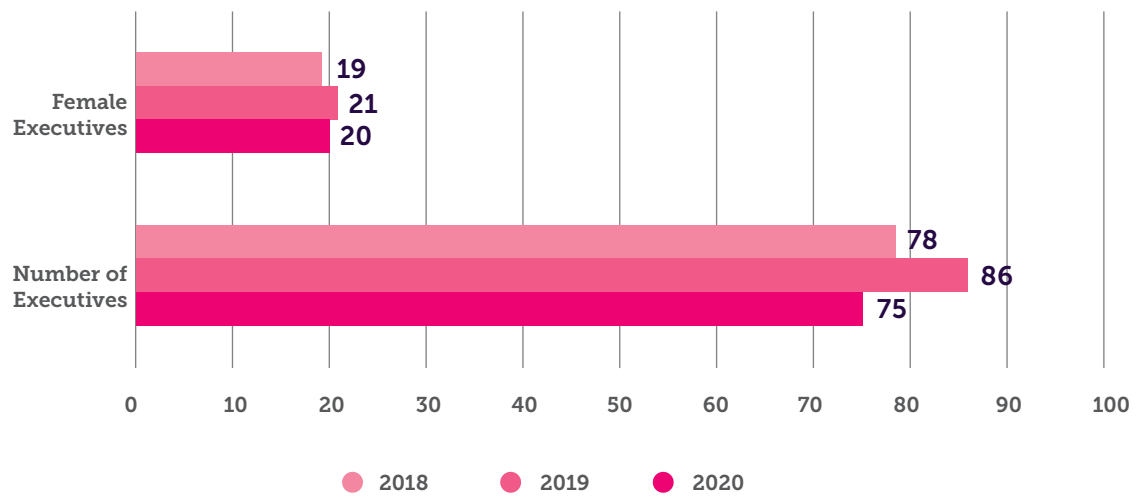

Lower 2019 results due to high level of planned maintenance.

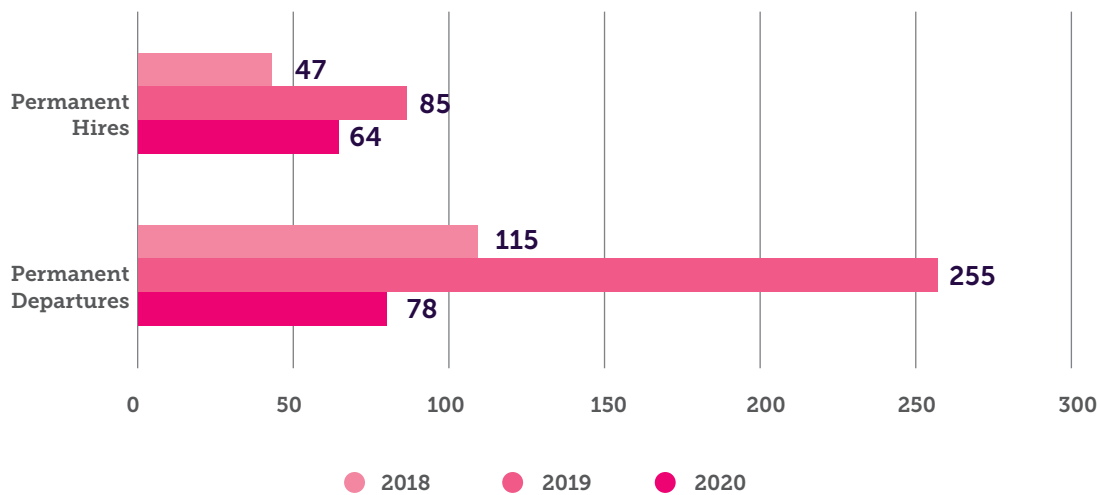

5. Workforce

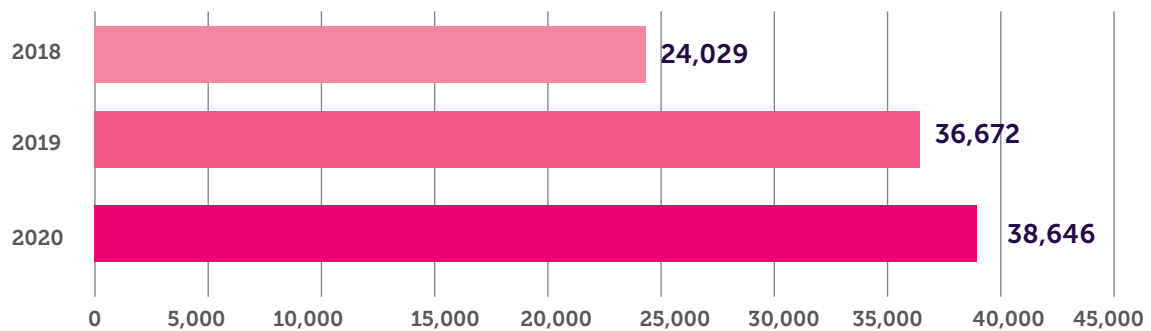

Executives (#)

Hires and Departure (#)

Training Hours (#)
