

The background of the cover is a composite image. The top half shows a close-up of a large white wind turbine with three blades, set against a sunset sky with soft orange and pink clouds. In the distance, several other wind turbines are visible on a rolling landscape. The bottom half of the image shows a large concrete dam with multiple spillways, with water cascading over them and creating a large plume of white mist. The dam is situated in a deep, rocky gorge with green vegetation on the slopes.
